I am Miss Thalía. Yes I know that is an uncommon name but I actually love how unique it is. I am like Summer Time a self described Florida Mermaid that loves the beach life. Yes, I'm a mermaid! I actually work as a Mermaid for some promotional events. It's like living a childhood dream! I grew up in South Jersey and spent most of my free time enjoying the beaches and coves. All of my life I dreamed of living on or near the beach. In 2004 I moved to South West Florida where I live today. I instantly fell in love with the atmosphere living on the Gulf which is my Paradise. It has been a dream come true. Since 2012 I have been a Liquor Promotional Model. I began modeling in 2006 for different photo shoots with different photographers. Since 2017 I joined The International Bikini Model Search. Since 2018 I

have been Miss Scuderia Cazzani Superboat Spokesmodel for our OPA Racing Team. This year in 2020 I became a Brand Model for a Mermaid Clothing Company called The Filthy Mermaid. Currently I am a Reality TV Personality "Summer" looking forward to being a Cast Member on The International Bikini Model Search Reality Show because I think that there will be a lot of young women that I can inspire. I'm only 4'9 and not a typical model by any means but I'm living my dream and I only see opportunities not limitations! As often as I can I'm always beaching it or boating. I love dancing and listening to EDM, Pop and Hip Hop music. I love going to Bars and Clubs. I enjoy Roller Skating and Bowling. I love watching Movies and TV Shows. I have my mind set on achieving to become a Campaign: Commercial Print: LifeStyle :

Swimsuit: Calendar: Catalog Model. I would be honored with Publications for different surf companies and swimwear collections. Even though it's something that isn't always the easiest thing to succeed in. I actually accept the struggle that comes with accomplishing my goals. I am determined to get to where I want to be. Everyone in life faces different forms of challenges throughout their life. You can either run from them or face them head on. I try to face any challenge in my life with the support that my family gives me knowing that they will always be there for me. I would especially like to thank them for always helping to push me to succeed in all aspects of my life.

My name is smiley, preferred to be called LaShae. My eyes are brown, height 4'11. I'm very petite. Makeup and modeling are two of my passions. I love meeting and working with new people and getting to know them. I've worked with several different photographers and enjoyed every minute spent behind the camera. I enjoy the indoor or outdoor modeling. My goal in modeling is to just have fun

and relax but most of all enjoy doing it. I've never been the person to put myself out there, but the older I got I realized you have to leave your mark on the world somehow. Modeling isn't always about having a pretty face or a perfect body, it's about the personality and the amount of effort you put into it. I find modeling very inspirational, and helps with body positivity. When I first started modeling I

didn't see myself applying for a spot in a magazine, however, I'm hoping it'll help raise me up into the modeling business. Modeling is important to me because I feel everybody should be comfortable in their own body no matter the size. All Women are beautiful. Modeling has inspired me, so I'm hoping I'll be able to inspire others. I've dreamed of being a model since I was a kid, and I'm finally chasing the dream
