Just like everyone else I dream of enjoying the best life possible. I have goals and ambitions to continue to grow as a model, a photographer and as a person. I have been published many times in fashion, cosplay and swimwear. I have been an extra in a Hallmark movie, been in a commercial for a product and represented various designers and fashion lines in print and runway. Participated in Tampa Bay Fashion Week activities as well as walked in the fashion show. I was selected to wear an exclusive design from a Cuban designer Jacqueline Fumero in a runway show which followed by a feature in Portfolio Fashion Magazine. Some of my greatest challenges include not having enough time to accomplish all the creative ideas and pursuits I have. But always I recognize that I am blessed with a beautiful family, great health and a wonderful, supportive husband for which I am truly grateful.

What kind of things do you enjoy doing in your spare time?
I enjoy reading, watching movies, exercising, hiking, and playing video games.

What's your favorite food?
I love fish! All kinds of fish and seafood. And chocolate of course!

What's your beauty secret?
I drink coconut water and stay in the shade as much as possible.

What would you say to young girls today?
Love yourself and accept yourself the way you are! Everyone is beautiful in their own way. Don't compro-

mise your standards, and keep good values! In the end, you've got to be happy with the choices you've made.
