Jasmine

My name is Jasmine Schmitz. By day I sell windows & doors for custom homes, and by night I am an aspiring model and content creator. I spend a lot of my time at the gym, taking pictures, making Tiktok videos, and playing guitar. I dream of being famous someday, and I'm confident I can make it happen. I also want to become the top sales rep in my company. I am very ambitious and driven and love to keep busy. I don't even remember the last day I just sat at home, I'm always out and about doing fun things and hanging with my friends.

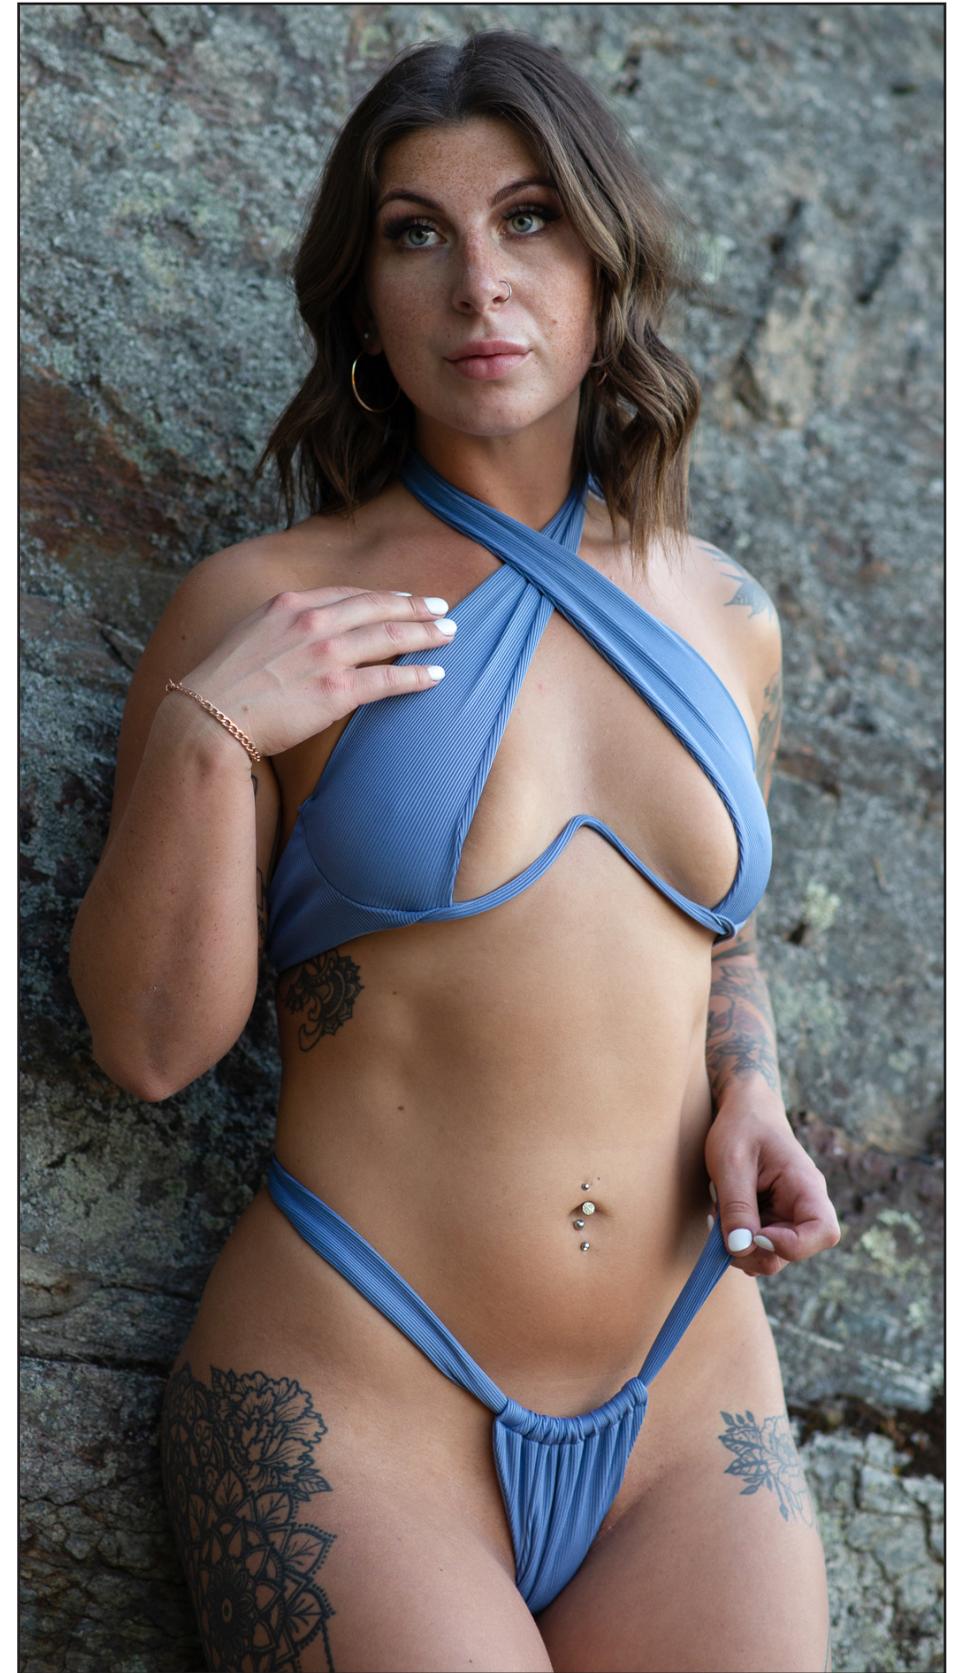

I am very proud to be the only female sales rep in my company, I am also one of the youngest. I got my first job at 15 and moved out at 16. I have always been very independent. I now have 2 cars and live in a beautiful home. I am very happy with my life right now, and am very proud of the person I am growing into.

I have been modeling for 6 years and I absolutely love it ! I love meeting new people and being in front of the camera .I have been in 6 runway shows and met a couple top models as well. One of my favorite things about modeling is being able to help others be confident with themselves, self confidence is so important.
